NO. 4:19-CV-113-A

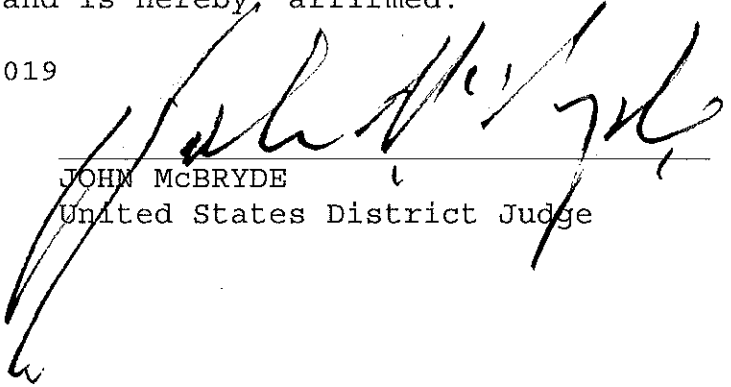

ORDER

Came on for consideration the above-captioned action wherein Rolando X. Vazquez is plaintiff and the Commissioner of Social Security, Andrew Saul, ("Commissioner") is defendant. This is an action for judicial review of a final decision of the Commissioner denying plaintiff's claim for supplemental security income. On August 28, 2019, the United States Magistrate Judge issued his proposed findings and conclusions and his recommendation ("FC&R"), and granted the parties until September 11, 2019, in which to file and serve any written objections thereto. To date, neither party has filed objections. Nevertheless, the court has conducted a thorough study of the record, the magistrate judge's proposed findings and conclusions, and applicable legal authorities, and has concluded that the recommendation of the magistrate judge should be accepted.

Therefore,

The court accepts the recommendation of the magistrate judge and ORDERS that the decision of the Commissioner that, based on a redetermination of plaintiff's continuing eligibility for supplemental security income upon attaining age 18 under section 1614(a)(3)(H) of the Social Security Act, plaintiff's disability ended on November 1, 2015, and plaintiff has not become disabled again since that date, be, and is hereby, affirmed.

SIGNED September 16, 2019

JOHN MCBRYDE
United States District Judge
